

**INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT  
OFFICE OF POLLUTION PREVENTION AND TECHNICAL ASSISTANCE**

**ANNOUNCEMENT: NEW GRANT OPPORTUNITY  
WASTE TIRE RECYCLING GRANTS**

**Funded by the Indiana Waste Tire Fund Reuse Initiative**

**Open to eligible businesses, local units of government, schools and not-for-profit organizations with 501(c) status.**

**For the purpose of providing funding for new and innovative ways to reuse or recycle waste tires within the State of Indiana.**

Applicants must have a primary mailing address within the State of Indiana, and propose a project within Indiana that will reuse or remanufacture waste tires. The state must be provided with the result of the research for an applicable market.

**Four eligible grant categories for the reuse or remanufacture of waste tires in Indiana:**

- **Research and Development** that will explore the use of waste tire material in a high value-added product.
- **Tire Derived Fuel** trial projects and implementation projects that will utilize waste tires as an alternative or supplemental fuel.
- **Civil Engineering Field Reuse** of waste tires utilized in an IDEM approved civil engineering beneficial reuse project (including planning and/or design projects.)
- **Recreational Field Reuse** of waste tires utilized in an IDEM approved recreational facility beneficial reuse project.
